This spine-tingling novel has more than enough fear factor for the most ardent fan of scary stories. Uncle Montague lives alone in a big house, but regular visits from his nephew, Edgar, give him the opportunity to recount some of the frightening stories he knows. As each tale unfolds, an eerie pattern emerges of young lives gone awry in the most terrifying of ways. Young Edgar begins to wonder just how Uncle Montague knows all these ghastly tales. This clever collection of stories-within-a-story is perfectly matched with darkly witty illustrations by David Roberts. Look for the other spine-tingling book in Chris Priestley's Tales of Terror series, Tales of Terror from the Black Ship!
